

Simple Project Instructions:

1. Take a "love project" from the Summer of Love bulletin board.
2. Read the information about the project.
3. On your own, or, even better, with family, friends, or your home group, make plans to do the "love project" before this week is over. We highly recommend sharing this "love project" with others. We also recommend that you try to accomplish this project on a Sunday afternoon (depending on the project).
4. Be sure to pray before each project. We believe that you will experience some "God moments" this summer — times when God will connect you to change someone's life. While engaging in the "love project," look around to spot any special needs.

If you meet people who need food or other necessities, contact Tom Cox at 760-757-8981 or tomjcox@hotmail.com. Also, try to get any phone numbers or contact info on people who might need our help.

5. ****Very important**** After the project is completed, please email Tom Cox with a brief report on your project. Share what your project was, who went with you, any special needs that came up, or specific contact info you might have for us to follow up on.
6. Praise God for the opportunity to be "*the light of the world.*"
7. Come to church next weekend and get another project from the "Summer of Love" bulletin board and repeat above instructions.

"And the greatest of these is love." 1st Corinthians 13:13
